
Albert Acosta, Lead Welding Specialist Instructor (Since 2015) – He has over 18 years of experience as a welder working with MIG, TIG, Stick and Fluxcore any metal.

Philbert Asson, Welding Specialist Instructor (Sine 2015) – He has a certificate in Welding Technology from APEX Technical School, Inc. He has over 9 years work experience in the field, and is a certified welder.

Juan Bernal, Welding Specialist Instructor (Since 2015) – He has over 10 years of experience as a welder utilizing the following processes: GTAW, SMAW, GMAW & FCAW.

Donald Carson, Welding Specialist Instructor (Since 2015) – He had over 25 years of experience in hot wire TIG and hand Heliarc/Tig Welding.

Steven Chavez, Welding Specialist Instructor (Since 2015) – He is a graduate of Tulsa Welding School and has 5 years of experience as a welder on steel fabrications using SMAW, GMAW, FCAW & GTAW

Casey Conrad, Welding Specialist Instructor (Since 2014) – He has over 8 years of experience as a pipefitter and welder in the gas and power industry building HEI condensers, feed water heaters & API tanks. Two years of experience in QA/QC and 2 years of lead man experience.

Samuel Flores, Jr., Welding Specialist Instructor (Since 2016) – He has an AOS degree in Welding Technology from Texas State Technical College. He has over 7 years practical work experience in structural welding and fabrication using the GTAW, SMAW, GMAW & FCAW processes.

Rene Garza, Welding Specialist Instructor (Since 2016) – He has over ten years work experience as a combination welder. He received a diploma from Del Mar College in Welding Technologies.

James E. Green, II, Welding Specialist Instructor (Since 2015) – He has over 5 years of experience in ASME pipe code welding and is a graduate of the Professional Welder Program at Tulsa Welding School in Tulsa OK.

Cole Gruber - Welding Specialist Instructor (Since 2015) – He has an AOS degree in Welding from Tulsa Welding School, Tulsa, OK. He also holds a Master Welder Diploma from that same institution. He has over 10 years hands on experience as a professional welder.

Austin Hargett – Welding Specialist Instructor (Since 2016) – He has a Diploma in Welding Technology from Texas State Technical College. He also has over 7 years practical work experience in the welding industry.

Shakirah Harrell, Welding Specialist Instructor (Since 2015) - She has over 12 years welding experience and three years of experience as a welding instructor in SMAW, GMAW, FCAW and GTAW processes. She has an Associate of Arts in Business Administration and a Bachelor Arts in Business Administration with a focus on Management.

Travis Hopkins, Welding Specialist Instructor (Since 2015) – He has over five years welding, pipefitting and fabrication experience. He has a Certificate of Completion in Combination Welding Technology, a Certificate of Completion in Pipe Welding, Lay Out and Fitting and he has an Associate's Degree in Applied Sciences in Welding Technology.

Brett Huffine Welding Specialist Instructor (Since 2015), - he has over five years of experience as a welder/fabricator and graduated from Lincoln College of Technology with a diploma in Welding Technology.

Hummons, Terry, Welding Specialist Instructor (Since 2015) – He is a Certified Welder with over 10 years work experience as a welder utilizing the following processes: GTAW, SMAW, GMAW & FCAW.

Derrick Jack, Welding Specialist Instructor (Since 2016) – He studied welding at Lone Star College in The Woodlands, TX. He is an experienced welder with over 8 years of work experience using the FCAW, SMAW & GMAW weld processes.

Darrius Johnson – Welding Specialist Instructor (Since 2016) – Mr. Johnson is a graduate of Tulsa Welding School/Jacksonville, FL (Master Welder Program). He has over 5 years practical work experience in MIG and Stick Welding.

Darren Loville, Welding Specialist Instructor (Since 2016) – He has over 20 years practical work experience as a welder utilizing the following processes: GTAW, SMAW, GMAW & FCAW.

Jesse Mackey, Welding Specialist Instructor (Since 2015) – He is a graduate of the Tulsa Welding School Master Welder Program in Tulsa OK. He has six years of practical work experience as a welder utilizing the following processes: GTAW, SMAW, GMAW & FCAW.

Jeffrey Pasket, Welding Specialist with Pipefitting Instructor (Since 2015) – He holds a Welding Technology Certificate from Texas State College, Waco, TX. He also has over 9 years of welding, fitting and installation experience.

The information contained in this Faculty Addendum is true and correct to the best of my knowledge.

Mary Kelly, President & CEO

Richard Pemberton, Welding Specialist with Pipefitting Instructor (Since 2014) – He has over 25 years of experience in the installation and fabrication of pipes. He is also NCCER certified.

Jared Perry, Welding Specialist Instructor (Since 2016) – Mr. Perry attended Texas State Technical College in Waco, TX where he received a Certificate in Combination Welding and Advanced Pipe Welding. He has over 8 ½ years work experience in welding and pipefitting.

Penny Petree, Pipefitting Instructor (Since 2013) – Over 8 years of experience in the installation and fabrication of pipes. She is also NCCER certified.

Jorge Quinteros - Welding Specialist Instructor (Since 2016) – Jorge has over nine years experience as a combo welder with emphasis on TIG welding. He has a TIG Welding Certificate from Lone Star College in Texas.

Scott Raabe – Welding Specialist Instructor (Since 2016) – Scott has over 12 years experience as a welder and pipefitter. He is attended Texas State Technical College for a year and was awarded a certificate in Welding.

Robert Richardson - Welding Specialist Instructor (Since 2015) – He has completed a year and a half of Welding Technologies course work at San Jacinto College in Houston, TX. He has 23 years of welding experience to include the supervision of a 21 man crew.

Casey Stafford, Welding Specialist with Pipefitting Instructor (Since 2015) – He has over 8 years work experience in pipefitting and welding. He has an AOS Degree in Welding Technology from Tulsa Welding School in Tulsa, OK.

Jason Tong - Welding Specialist Instructor (Since 2016) – Mr. Tong has an AAS degree in Welding Technology from Texas State Technical College. He is a Certified Welder with over 4 years practical work experience in welding.

David Wallace – Welding Specialist Instructor (Since 2016) – He has over nine years experience working as a combination welder.

Wesley Warr – Welding Specialist Instructor (Since 2017) – He has over 6 years work experience as a structural welder using stick rod, MIG and flux core welding. He is certified in 6-G pipe welding.

Megan Webster, Welding Specialist with Pipefitting Instructor (Since 2016) – NCCER Level 4 trained #12539950. She has over 5 years experience working as a pipefitter. Proficiencies: threaded weld, socket weld and butt weld pipe fabrications (above ground and underground).
